# ROAD RESCUE GAME!

In LEGO® City, the Road Rescue crew is always on the job! These hard-working expert mechanics help out drivers in trouble, repairing their damaged vehicles on the spot or towing them to the big garage to get fixed up.

Do you have what it takes to be a Road Rescue mechanic? Challenge your friends in a race to the Garage, helping out LEGO City's citizens along the way! 🚗

## RULES

- 1 The LEGO® City Road Rescue Game is a game for 2-4 players.
- 2 Use LEGO City minifigures or any other LEGO piece to play. You will also need a 2x2, 2x4 or 2x6-stud LEGO brick to roll.
- 3 Each player rolls the LEGO brick to see who goes first. Whoever has the highest number (see below) is the first to play. Whoever has the next-highest number goes second. If there is a tie, the tied players roll again to decide which of them takes that turn.
- 4 Take turns rolling the brick and moving across the board. If you land on a space with special instructions, you have to do what the instructions say.
- 5 The first player to reach the Garage is the winner!

## ROLLING THE LEGO® BRICK

If the brick lands with studs facing up, move 1 space.

If the brick lands with studs facing down, move 2 spaces.

If the brick lands on its side, move 3 spaces.
